PUBLIC LIBRARY**

**SUMMER  
READING  
PROGRAM**

**Reading Records and  
Activities Guide**

# Castleton Public Library Summer Reading Program

This year's Summer Reading Program theme is  
*A Universe of Stories*

We're offering lots of exciting programs and fun activities  
to keep your kids and teens engaged and active this summer!

Not only is the Summer Reading Program fun for the whole family, it also helps your kids stay motivated to read and learn. The program helps maintain reading skills, which reduces the "summer slide." Over the summer, students risk losing some of the achievement gains they made during the previous school year, but together we can keep your kids on track!

In addition to our program for kids and teens, we also offer an early literacy component for babies, toddlers, and preschoolers, and enrichment activities for adults.

## Reading

Track your reading & enter to win prizes!

Reading records for all ages are included in this guide.  
You can also pick up reading records at our front desk.

### Which Record Do I Use?

For children from birth through  
entering Kindergarten in the fall:

**Early Literacy Reading Record** (see p. 2-3)

For kids entering grades 1-5 in the fall:

**Kids Reading Record** (see p. 4-5)

For teens entering grades 6-12 in the fall:

**Teen Reading Record** (see p. 6-7)

For adults:

**Adult Reading Record** (see p. 8)

### Checking In

Checking in is easy - just bring your reading  
record to our front desk!

You may check in multiple times during the  
summer, or once at the end of summer.

Be sure to make your final check-in by **6:00 p.m. on  
Monday, August 26** to receive your tickets for our  
raffle prize drawings!

Come to the library to see the complete list of  
prizes you can enter to win!

## Activities

We're offering a variety of activities  
and events over the summer for  
children, teens, and adults!

See the calendar pages in this guide  
(pgs. 9-18) for a complete listing of  
our summer events.
